

Dear Graduates,

Finishing your studies marks the end of a period in your life in which we at H-BRS have been able to play an important role. I would like to congratulate you on your successful graduation from our university. We would like to celebrate this achievement properly with you. I would therefore like to invite you and your family, relatives and friends to the **Graduation Ceremony on Saturday, 26 October 2019**.

A Bachelor's or Master's degree will be conferred upon you and the other graduates of your degree programme during the official degree ceremony. As in past years, we hope that you will follow the solemn academic tradition of wearing gowns. In this ceremonial atmosphere you will once again have the opportunity to mix with former fellow students, jointly celebrate your achievements and afterwards enjoy a convivial evening event.

No matter whether you have just received your degree certificate hot off the press or have already been working for some time, the graduation party is a unique and fitting opportunity to jointly celebrate successfully completing your studies with your family, friends and fellow former students.

This year, the graduation party is taking place at **Telekom Dome in Bonn**. Following an ecumenical service at the Matthäi Church, the main ceremony will begin in the Telekom Dome at 15:30.

After the programme of entertainment, to mark the culmination of the event, all the graduates present will be invited on to the stage for the traditional "mortarboard throw".

All information on the ceremony, and the link to the online registration form can be found at <https://www.h-brs.de/en/graduation-ceremony>.

**Please note: If you have already received your personal invitation by e-mail, please use your personal login link.** Graduates who have not yet completed their studies or whose degrees have not yet been enrolled by the exam service register via the registration link on the event website <https://www.h-brs.de/en/graduation-ceremony>.

Please register as soon as possible and by 14 October at the latest.

I very much hope to see you at the Telekom Dome on 26 October and wish you all the very best for your future.

With best wishes,

Prof. Dr Hartmut Ihne  
President of Hochschule Bonn-Rhein-Sieg
